About US

Jhaveri Enterprises is proud to present a game-changing approach to the culinary world, offering a range of ready-to-cook Indian curries specifically designed for ANYBODY and EVERYBODY. As a company, Jhaveri Enterprises takes great pride in our partnership with a retort food manufacturer renowned for over 30 years of experience in crafting delicious, curated recipes served in 5 and 7-star hotels.

Our commitment to authenticity ensures that these curries are free from preservatives, delivering a pure, homemade taste that chefs can trust. The innovation behind our products lies in their ability to reduce kitchen cooking time by an astounding 78%, introducing the concept of "speedy scratch," allowing ANYBODY and EVERYBODY to cook food as a professional chef.

By providing the convenience of ready-made curries without sacrificing quality or taste, Jhaveri Enterprises empowers chefs and aspiring chefs to quickly prepare exquisite Indian dishes. While these products offer convenience, they also embrace the essence of scratch cooking, allowing chefs to customize each dish and infuse their personal touch. This approach not only saves time but also guarantees the richness and authenticity of homemade Indian cuisine.

With an unwavering dedication to quality, speed, and customization, Jhaveri Enterprises redefines culinary convenience for ANYBODY and EVERYBODY, recipes curated by professional chefs, offering a range of ready-to-cook curries that uphold the traditions of personalized Indian cooking while streamlining the cooking process.

Testimonials

Collaborating with Jhaveri Enterprises has been a fantastic experience. Their ready-to-eat retort gravies have truly impressed us with their rich Indian flavours and consistent quality. The convenience and taste of these products have become a staple in our offerings, delighting our customers. The durable packaging ensures a long shelf life, which is essential for our international clients as a Brand. We're excited about the possibility of expanding our range with even more varieties, but overall, we are very pleased with our partnership and look forward to future successes together.

Maya Patel, Import Manager,
World Cuisine Distributors

Partnering with Jhaveri Enterprises has been a major boost for our restaurant. Their ready-to-eat retort gravies capture the true essence of Indian cuisine, bringing authentic flavors straight to our customers' plates. The rich, traditional taste has been a big hit, especially with those looking for a genuine Indian experience. The packaging is secure and ideal for our international markets. We'd love to see even more variety in regional Indian dishes, but overall, Jhaveri Enterprises has exceeded our expectations. They are our go-to supplier for Indian ready-to-eat gravies.

Ravi Singh, Head of Imports,
Authentic Eats Co.

We have been importing ready-to-eat gravies from Jhaveri Enterprises, and our experience has been fantastic. The gravies taste great and have a rich, authentic flavour that our customers love.

The packaging is excellent, keeping the products fresh even after long shipments. Our customers find these gravies easy to use, and they're always satisfied with the taste. Working with Jhaveri Enterprises has been a pleasure. They deliver on time, and the quality is always consistent. We're happy to partner with them and look forward to growing

Testimonials

We've been importing ready-to-eat gravies from Jhaveri Enterprises, and they've been a great addition to our product line up. The gravies not only taste amazing but also have a long shelf life, which is perfect for our business.

The extended shelf life makes it easy for us to manage inventory and reduces waste, while still offering our customers fresh, flavourful meals. The packaging is secure, ensuring the gravies stay fresh during transport.

Jhaveri Enterprises consistently delivers high-quality products, and we're proud to partner with them. We look forward to continuing our successful collaboration.

-Geeta Kashyap -
Tasty Delights International

Jhaveri Enterprises ready-to-eat gravies have truly transformed our offerings. The traditional flavours are so authentic that our customers often feel as though they're dining in a fine Indian restaurant.

The rich, well-balanced gravies capture the essence of Indian cuisine, creating a comforting home-bound experience that strongly appeals to our clients. The convenience of these RTE meals, combined with their genuine taste, makes them a standout product in our range. We appreciate the high quality and consistent excellence of Jhaveri Enterprises' gravies. They've been instrumental in enhancing our customer satisfaction and are a key part of our successful product lineup.
